

**JOHN SINNOTT ELEMENTARY
PARENT TEACHER ASSOCIATION**

2020-2021 SCHOOL YEAR

Giving hope to our school community

**Sinnott PTA is stepping up in huge support for our school community!
This school year, we are providing full funding of Scholastic Magazines for all classrooms
— A dedication of \$10,000 to sustain this academic resource for every student.
Family Donations and Corporate Funding has made this possible.**

**As you may know, our school has suffered severe budget cuts this year.
The continued generosity of our community is critical. We welcome donations from our
families and/or community members at large to help sustain our organization.**
