

Attention Sinnott Students

- Are you curious about how things work?
- Are you creative? Do you like Science?
- Do you like working with your hands?
- Do you enjoy tinkering?
- Do you ever wonder when Math is useful?
- Do you want to work with your friends?

...Yes!? Yes!!? and YES!!!?

...then you are a fine candidate for

The Tech
Challenge

2018 – Drop and Dash

If you're interested in learning more about The Tech Challenge, you and your parents are invited to:

The Tech CHALLENGE 2018 Info Night

When: Tuesday, November 14, 2017

Time: 7:00 pm

Where: *Wildcat Den*

Come and join us for the fun.

Attention Sinnott Parents

- Does your child show an interest in how things work?
- Want your child spending less time on the computer playing video games and more time creating and designing something?
- Do you want your child to be involved in a program that provides months of team learning experience in **Science, Technology, Engineering, and Math**?
- **Would you like to advise your child's team?**

... Yes?!? Then you and your child might be interested in

Are you excited but not sure how to support your child through this great experience? Then you are invited to attend:

The Tech CHALLENGE 2018 Info Night

When: Tuesday, November 14, 2017

Time: 7:00 pm

Where: *Wildcat Den*

Come and join us for the fun.

Parents, you are the most important part of this amazing process.
